**HISTORY/FACTS/ISSUES:**

C-476 W is anticipated to commence January 11, 2010. Demands on Road and Bridge inspection staff as well as the Florida Department of Transportation and Federal mandated reporting exceeds staffing availability and abilities. As a result, Road and Bridge requested a proposal from Volkert and Associates, Incorporated (VAI) to perform these efforts and to insure compliance with extensive reporting requirements needed to facilitate reimbursement with Federal stimulus funds. Attached for Board review, approval, and execution is VAI's proposal and Sumter County Road and Bridge Work Order Number 14.
